

# TOOLS FOR SCHOOLS

Collecting Basic School Supplies for Kids in Need

## JULY - AUGUST

*Earn an A+ with local elementary students who are in need of basic school supplies to succeed in their schoolwork.*

### Classroom or School Sponsorship

Your business can sponsor a local classroom or an entire school for school supplies.

~ Classroom & school sponsorship is available for \$50 to \$250 ~

### How Does It Work?

**Leave the shopping to us!** Your business can make a tax deductible donation to *Tools for Schools* through the *Wayne County Vision Organization*. We will contact you with the school's name and classrooms you sponsored along with a list of supplies we purchased for them.

Due to the sensitive nature of kids needing these supplies, we choose to make this an anonymous donation in the student's eyes. The school administration will know the supplies came from our local sponsors.

**Sponsorship information is on the back of this sheet.**

Contact Jenie Lahmann for details. (765) 966-8291

#### COMMUNITY PARTNERS

Your donation is tax deductible.
