### **MORRISON-REEVES LIBRARY ANNOUNCES THE ADDITION OF MANGO LANGUAGES**

**RICHMOND, Indiana**, February 18, 2015 — Morrisson-Reeves Library is pleased to announce that it now offers the Mango Languages online language-learning system to its patrons. Alex Sarkissian, Audio-Visual Services Manager made the announcement today.

Mango is free for all library patrons and can be accessed anywhere with an Internet connection. Each lesson combines real life situations and audio from native speakers with simple, clear instructions. The courses are presented with an appreciation for cultural nuance and real-world application by focusing on the four key elements of language learning: vocabulary, pronunciation, grammar, and culture.

Mango offers access to 60 foreign language courses and 17 English courses taught completely in the user's native language. In addition to traditional language courses, Mango also offers the opportunity to learn through foreign film with Mango Premiere™ and access to a variety of specialty mini courses, like Pirate, Medical Spanish and romance courses. Mango can be accessed at the library, remotely, or even on-the-go with apps for iPhone®, Android™, Kindle® and Nook®.

"We are thrilled to join the growing list of libraries across the country that offer Mango to their patrons at no cost," said Alex Sarkissian. "Some people need to learn a second language for business or travel. Others want to for personal or professional development. No matter the reason, learning a language should be fun and easy. With Mango, it definitely is."

To learn more about Mango, stop by the library and ask a librarian for an introduction. Library card holders can access Mango through the library website at [MRLinfo.org](http://MRLinfo.org).
